

SCENIC HOUSTON EVENTS

Scenic Houston recognizes the importance of visionaries who are committed to the livability and visual quality of public spaces. Our events are designed to honor individuals and organizations impacting our growing and diverse community.

Scenic Star Reception

Each year, Scenic Houston recognizes an organization or project that exemplifies our mission to further beautify Houston. We appreciate the investments made to preserve the legacy of Houstonians and the initiatives made to enhance the livability and visual quality of our public spaces.

Scenic Houston Annual Dinner

For 25 years, Scenic Houston has annually recognized a community leader who has played a vital role in improving Houston's appearance and image as our Scenic Visionary. We also honor Scenic Heroes who have dedicated a lifetime to the quality of public spaces in our growing and diverse community.
